
Cheddar Bacon Dip (a.k.a Crack)

There is good reason this dip is called CRACK! It is so simple to make and it is VERY addictive to eat. The FDA should require a warning label on this recipe!

16 oz sour cream
1 packet Ranch dressing mix
3 oz bacon bits (in the bag not jar)
1 cup shredded cheddar cheese

Mix together and refrigerate 24 hours. Serve with chips and/or veggies.
