

Jim n' Nick's cheesy biscuits -- They're supposed to be a thousand times better than Red Lobster's biscuits! Oh boy! ~ Moon :-)

1 1/2 cups Bisquick
3/4 cup buttermilk
3 Tbps sugar
1/4 tsp vanilla
1 cup cheddar cheese, shredded

Preheat oven to 425. Stir together all ingredients just until combined. Scoop into a mini muffin pan coated with cooking spray. Bake 12-15 minutes, until golden. **I used a medium cookie scoop and got 20 muffins**
